REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance.

It is the opinion of the examiner that the art of record (considered as a whole) neither anticipates nor renders obvious the calculating and determining steps of the material and mandrel in combination with the rest of the claimed limitations set forth in claim 26. Claims 26-34 are allowed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
